- Send completed application form and fee transaction receipt to the ISOI Secretariat.

GENERAL REQUIREMENTS

- Apart from implant therapy, patient treatment must be complete in all aspects of dentistry including oral prophylaxis, teeth restorations, prosthetic fixed restorations (except in cases of implant-supported over-dentures), surgical or orthodontic interventions etc.
- Untreated edentulous areas (without rationale), partial dentures, untreated caries or periodontal conditions, visible calculus & stains etc. are grounds for rejection.

SPECIFIC REQUIREMENTS (I)

Mastership may be earned through fulfillment of 50 cases (50 separate patients) with 1 year clinical & radiographic follow-up.

- Cases will be judged based on the skill and case handling ability which is expected to be above that of the Fellowship tier.

CONTINUED

SPECIFIC REQUIREMENTS (II)

- Case presentation shall include;
 - (i) OPGs – Pre-operative, post-surgical, post-prosthetic restoration and 1-year post-prosthetic (above 4 OPGs are mandatory)
 - (ii) Photographs
 - (iii) Patients Case history and Summary.

CONTINUED

SPECIFIC REQUIREMENTS (III)

- Cases should cover a diversity of single tooth, multiple teeth & distal extension restorations. Documentation must include;
 1. More than one implant design to rehabilitate patients.
 2. Minimum 4 cases (4 separate patients) of fixed full arch restorations and 2 cases (2 separate patients) of implant-supported over-denture restorations.

CONTINUED

SPECIFIC REQUIREMENTS (IV)

3. 1 case each (total 4) of bone manipulation;
- bone splitting (1 patient),
 - horizontal bone augmentation with a minimum gain of 3mm (1 patient),
 - open (direct) sinus grafting (1 patient) &
 - indirect sinus grafting (1 patient).

Other bone grafting cases may also be done.

(Start your presentation with the 4 full arch & 4 bone manipulation cases)

SPECIFIC REQUIREMENTS (V)

- Proof of any 1 of the following to his/her credit;
 - Implant paper presentations
 - Lectures at national or international implant conferences
 - Implant literature publications
 - Research in implant dentistry or allied fields etc.

(Upload proof along with application form)

RESUBMISSION OF RECORDS

- Mastership applicants can re-submit their applications after correction (if needed) only once after the initial submission.

After this, if the case is rejected, the fee will be forfeited and the applicant will have to apply afresh after paying the requisite fees.

EXAMINATION

- Examination of Mastership applicants will be done at a pre-determined date in a suitable venue with projection audio-visual facilities.
- As per circumstances, the examination may also be conducted virtually online using suitable electronic means.
- Results will be intimated to the successful applicants prior to the National Conference.

PERMISSIONS

- It is the applicant's responsibility to obtain all necessary release and no-objection consents from their respective patients before submission of their records.
- The submitted material can be used in part or whole, for educational purpose by the ISOI & no further permission will need to be obtained according to ISOI constitution. Kindly NOTE this before submission.
